Showcase My Research

JCU Research Portfolio & ORCID are your flagship discovery tools.

Reach your audience by making your outputs available via Open Access.

Link your profiles to give your audience a complete picture of your research.

Polished profiles help with academic promotion, advisory accreditation and your PDP.

What next...?

1. Keep your information current
   Make it easy for people to find out about your latest research activities and achievements

2. Promote your JCU Research Portfolio & ORCID profiles
   - Email signatures
   - Conference title slides
   - Publications
   - Where you have an online presence

3. Amplify impact & engagement
   - Boost your citation profile - ensure Scopus, ResearcherID and Google Scholar list all indexed outputs
   - Upload your research outputs to ResearchGate, Academia and other discipline social networking sites

4. Get started with your librarian
   - Build your research and altmetric profiles
   - Understand Open Access and copyright
   - Decide where to publish to increase impact
